

# Eastern Hills Dental Wellness Plan

At *Eastern Hills Dental*, we understand your dental health is important to you, and we've created a wellness plan for patients without insurance to make it easy to do what's best for your dental health. Our plan covers preventative dental care, and offers a preferred discount on restorative treatment such as fillings and crowns. Our goal is to provide a simple way for you to access the best quality care *for your needs*.

You can do  
what is best for  
*your dental health*  
and not let insurance  
companies dictate  
dental treatment  
for you!

## *Annual Cost*
